

Dear Hadley,

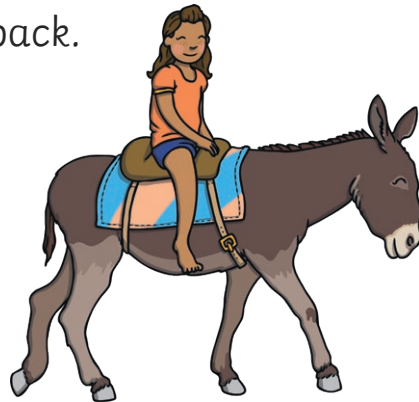

I am away on holiday in Dixey Bay this week. It is hot but wet some days. I have had a lot of turkey, kidney and parsley pies, yum!

Yesterday, we went to the Dixey Monkey Park. I got a new jersey with a monkey on it.

We also went on a donkey trip down in the bay. On the way back to the caravan I lost my keys but a kind man found them for me.

I will see you when I am back.
