

As historians...

Ask your grandparents and maybe even your great grandparents, what technology they used as a child- telephones, computers, etc. If they have any photos they would like to share then please bring them in.

As writers...

What would you like to be when you grow up? Draw a picture and tell me why you want to do this job.

As mathematicians...

Where do you live?

Can you draw a picture or make a 3D model of your house? See if you can label all the shapes that you can see.

Ourselves & Time Travellers

As mathematicians...

Measure how tall you are in cm.. Now can you measure the rest of your family? Can you put your family in height order? Write down who is the tallest and who is the shortest, draw a picture to show this.

As writers...

Do you or someone else in your family have a pet? Find out what it needs to grow and survive. Draw a picture of your pet or a pet you would like and write about what you found out.

As writers...

Create a family portrait.
Write down some facts about your family.
e.g. favourite food, interesting hobbies, who is the oldest/youngest? etc

As mathematicians and scientists...

Take a sensory walk around your house and garden using your five senses. Now write down what you discovered. (Hear, smell, touch, taste, feel)

Make sure you include which sense you are writing about!

As scientists...

Can you think of the different kinds of clothes you would wear in the 4 seasons? Now can you draw and label them?

Please choose one task to do each week this half term. If you have time you can do more!

As readers...

Have you visited Rugby library? Could you find a book that you would like to share with the class? You can choose a fiction or a non-fiction book? Please send homework in on a Wednesday so the children can show the rest of the class their super new learning.
