Newsletter

Dear Parents/Carers,

Wow and with that the academic year is nearly done! The year has gone by extremely quickly and as the end of the year approaches there are always mixed emotions, sadness at leaving teachers and teaching assistants, nervousness and excitement for the new year and then pure joy for having six weeks off.

This year will be the first time Brownsover will say goodbye to Year 6 children as it transitions to become a primary school. There is so much I could say about our Year 6 children but what I will say is that each one of them has left an impression not only on their teacher but myself included. They have set an incredibly high bar for future children to aspire to.

Looking ahead, it is also an extremely exciting time to be at Brownsover as there will be the first ever Year 3 class in September. I know that the children in Year 3 will be absolutely incredible as they are ready for Lower Key Stage 2.

We will also be saying goodbyes to Mrs Gordon who has been part of the Brownsover family for fifteen years and Mrs Halliwell who has been part of the family for over ten years. Both have been spectacular teachers and have truly represented the values of the Brownsover school community. We will also be saying goodbye to Miss Matu and Miss Crowley who have equally joined the Brownsover family and become a part of it. It has felt like they have always been here. We wish them all every success in their future adventures.

We would also like to thank our FABS team for all of their help and support over the year. Many of

the team, work and then run, lead and arrange events for our children often using their own time. Thanks to the FABS team this year for running Christmas Fair, Mother's Day and Father's Day events and then ending with a real bang of the colour run. Due to their fundraising events, they were able to fund the Golden Boxes, contribute towards trips, fund the Christmas Panto and provide a voucher for each class.

As the summer holidays approach, we would like to thank all families for their support over the year, it has been appreciated by all members of staff. Brownsover truly is a family so now the time will be to make memories as a family whether that's going abroad, staying at home or simply being present in the moment.

The children will start back on Thursday 3rd September and please can I ask no holidays are booked during term time. The start of the year is important for relationships to be built, children to become familiar with new routines and expectations. There are only 190 school days a year so every day truly counts!

Finally, it just leaves us to say a MASSIVE thank you for your support, generosity in supporting events and the generous presents we have been receiving, there is never an expectation for gifts as we are all in this job for your children and we wish them every happiness and success! Have a lovely holiday!

Fabulous FABS

A huge thank you from the Colour Run

What a fantastic day! Thanks to your support, we raised over £1,200. Our thanks go to the staff, parents and volunteers who helped make it happen, but especially to the children, who filled the day with fun and laughter. Our Year 5 and 6 children were absolutely amazing, taking wonderful care of the younger ones as they accompanied them around the course.

Events like this simply wouldn't happen without our volunteers, who not only help run the day but come up with exciting fundraising ideas and plan them too.

If you think you could make a difference by volunteering next school year, please get in touch with the school or the FABS team via their website:

More Fabulous Fundraising..

Thank you to all of the children and parents that participated in our Frozen Fridays and the Summer Fayre.

Thanks to your wonderful support, we managed to raise a fabulous £973. This money will go towards the next school years trips and activities .

Thank you...

We would like to say a very big thank you to Eleanor Bell and Neil Aaron for taking the time to come into school and talk to the children about your amazing jobs. The children thoroughly enjoyed your visits.

And also to Allison Thompkin, Ann Sharman and Alicia Hodson ~ thank you for your time, care and patience, coming in to read with the children. This has been invaluable!

We would also like to thank all of the parents and carers that have assisted in accompanying our children on the many school trips!

Sorted for School Campaign

Calling all families - how to survive the summer and get sorted for school

As schools across the county are preparing to break up for the summer holiday, Warwickshire County Council is urging local families to use the summer to start thinking about what they can do to keep kids happy and healthy over the summer and as prepared as possible for the autumn term.

The council's sorted for school campaign and new website brings lots of relevant information together to help families make the most of the summer holidays and support the move back to the classroom when September rolls around. It brings together information about education services and school admissions, health advice and lots of family support.

You can keep reading here. <https://www.warwickshire.gov.uk/sortedforschool>

Preloved/Secondhand Uniform

Has your child outgrown their logo jumper?

If you don't know what to do with your old logo school jumpers please consider donating them to school.

We can sell them in the preloved uniform sales for 50p, which raises a small amount of money for school or on occasion they have been used to support families in need.

Summer Reading Challenge

<https://summerreadingchallenge.org.uk/>

The Summer Reading Challenge, presented by The Reading Agency, is delivered in partnership with public libraries and funded by Arts Council England. The Challenge encourages children aged 4 to 11 to enjoy the benefits of reading for pleasure over the summer holidays, providing lots of fun as well as helping to prevent the summer reading 'dip'.

The Challenge was launched in libraries in England on Saturday 4 July. Children can also join in the fun online, at the official Summer Reading Challenge website.
